

FITS Certified, Inc.

in association with

The Floor Pro Community

Present a Two-Day Symposium in Tulsa

The Installer – Inspector Workshop Building Bridges, Not Walls

Presentations and Discussions lead by Industry Experts in their fields cover subjects as important as:

- Roles of the Inspector and Installer
- Standards for the Floor Covering Industry
- Ethics for Installers and Inspectors
- Available Educational Resources
- Site Conditions: Who Is Responsible
- Changing Attitudes: Building Bridges, Not Walls

These and other vital topics for the floor covering professional will be discussed in Tulsa, Oklahoma at the:

Tulsa Technology Center May 9 - 10 2008
